# HUANG-TSU BOATYARD

SHANGHAI, CHINA

25X1A

The Huang-tsu Boatyard in Shanghai, China is located on the Huang-Pu River opposite the large Kiangnan Naval Shipyard. This small boatyard, new since World War II, appears on [REDACTED] photography to be engaged in the construction and repair of river craft. In [REDACTED] the area now occupied by the boatyard was farmland. [REDACTED] photography it appeared in various stages of construction and operation. 25X1A

The facilities of this boatyard include two covered building ways, 180 by 90 feet and 75 by 40 feet; eight marine railways, three approximately 300 feet long and five 160 feet long; and several small workshops. The major components of the shipyard are shown and identified and described on the accompanying photograph, line drawing, and key to annotations.

The following vessels were observed in the vicinity of the boatyard; one river craft, 200 feet long, under construction; three river craft, one 75 feet long, two 45 feet long; two possible tugs, 85 feet long and 45 feet long; two self-propelled barges, 75 feet long and 90 feet long; and one possible patrol craft, 60 feet long.

## KEY TO ANNOTATIONS

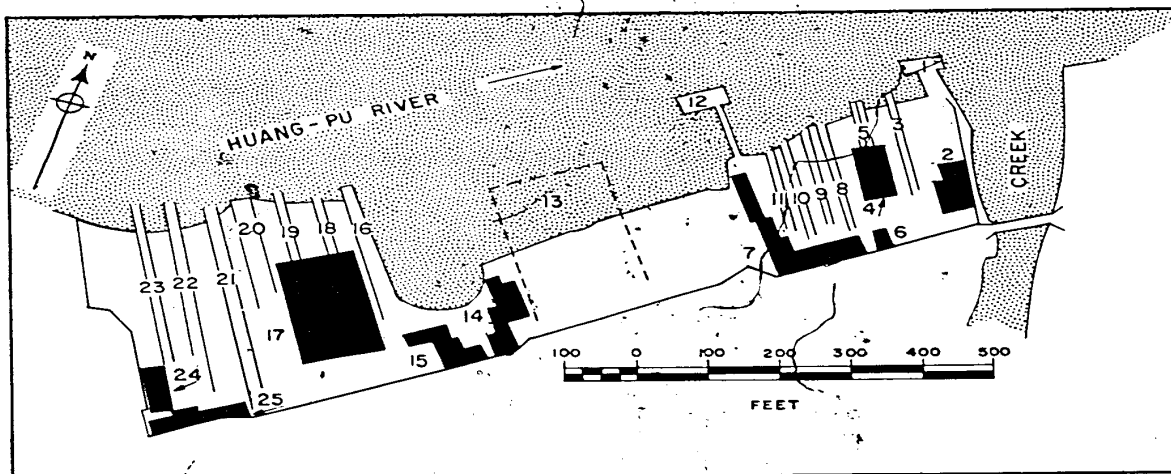

1. T-head pier, approach 100' long, head 45'.
2. Storage building, 45' x 30', addition 25' x 20'
3. Marine railway, 160' long, 10' wide.
4. Covered building/repair way, 75' x 40'.
5. Marine railway, 160' long, 15' wide. Serves building #4.
6. Storage building, 25' x 10'.
7. Workshop, four connected buildings, 110' x 20', 45' x 30', 40' x 20', 80' x 15'.
8. Marine railway, 160' long, [REDACTED] wide.
9. Marine railway, 160' long, [REDACTED] wide. 25X1D
10. Marine railway, 160' long, [REDACTED] wide.
11. Marine railway, 160' long, [REDACTED] wide.
12. Log pond, approximately 220' x 125'.
13. Log pond, approximately 220' x 125'.
14. Workshop, probably sawmill, four connected buildings, 40' x 30', 15' square, 40' x 15', 25' x 20'.
15. Workshop, probably woodworking, three connected buildings, 25' x 20', two 50' x 20'.
16. Pier, 110' long, [REDACTED] wide. 25X1D
17. Covered building/repair way, 180' x 90'.
18. Marine railway, 260' long, [REDACTED] Serves building #17.
19. Marine railway, 275' long, [REDACTED] Serves building #17. 25X1D
20. Pier, 155' long, [REDACTED] wide. 25X1D
21. Marine railway, 300' long, 15' wide.
22. Marine railway, 300' long, 15' wide.
23. Marine railway, 280' long, 10' wide.
24. Workshop, 75' x 30'.
25. Workshop, four connected buildings, 30' x 15', 35' x 20', and two 25' x 15'.
